

UNHCR Cash Assistance for Children's Primary and Secondary Education in Bulgaria 2024 - 25

UNHCR's education strategy focuses on the inclusion of refugee children in primary and secondary education, particularly unaccompanied and separated children. School enrolment is a crucial safeguard for the safety and security of children.

UNHCR Bulgaria is providing cash assistance to support refugee children in support of their enrolment in national schools, ensuring they receive the same support as Bulgarian children.

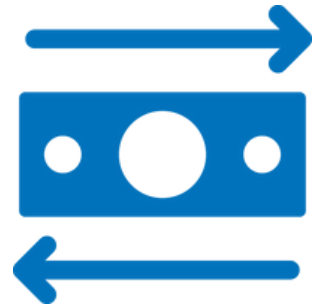

Target group: The target group includes individuals previously registered in UNHCR's database and with UNHCR partners. Should additional information or in-person verification be required, UNHCR partner Bulgarian Red Cross will contact you for the required information.

Who will be eligible?

- Applied for or granted international, humanitarian or temporary protection status in Bulgaria
- Parents or caregivers registered with UNHCR, with children between 6-17 years

How much is the assistance?

300 BGN for the academic year 2024-25, provided in one single payment per eligible child, unconditional.

Timelines:

From **November to December 2024**, eligible families will receive a notification through SMS to your mobile phone number. This SMS will confirm how you can collect the cash through Western Union.
