WELCOME TO COURSERA FOR REFUGEES, BULGARIA

**A great opportunity to improve your knowledge,
build recognized skills and advance your career!**

UNHCR

UNHCR, the UN Refugee Agency, is a global organization whose mission is to safeguard the rights and well-being of people who have been forced to flee. For more than 70 years, UNHCR has been instrumental in helping millions of people restart their lives. Crucial work in areas like protection, shelter, health and education help to restore dignity and build brighter future for displaced community worldwide.

Join the Coursera World

Coursera for Refugees, developed in conjunction with the U.S. Department of State and launched on World Refugee Day (June 20) in 2016, aims to provide transformative learning experiences to refugees in need by offering free access to the Coursera platform. We have since supported tens of thousands of refugee students in over one hundred countries.

Steps to start your Coursera journey!

1 To register, scan the QR code and complete the registration form. Within one week of registering, UNHCR will send you an individual invitation to join the program via email. Please do not share this invitation. If you do not receive the email, please check your spam or junk folder.

2 Once you receive the invitation email, click on the provided link. This will take you directly to the Coursera home page.

3 To set up your account, click the "SIGN UP" button. You will be prompted to enter your full name, a valid email address, and a password.

4 To get started, enter the email address and password you used during your registration. Then, click the blue "LOG IN" button.

5 Once you have successfully logged in, you will be inside the Coursera for Refugee platform. From there, you can choose the course or courses you prefer. Click the "GO TO COURSE" button to start your learning journey.

- You can access Coursera through both a dedicated mobile app and the web.
