Why Register with UNHCR?

Registration allows you and your family to formalise your stay as asylum-seekers in Egypt. It also helps you with your daily interaction with Egyptian authorities and partners. In addition, registering with UNHCR facilitates residency and will protect you and your family from being returned to your country of origin against your will.

When you register with UNHCR, you will be provided with a UNHCR registration document. Please pay attention to the validity of your UNHCR document and make sure you contact UNHCR for a renewal appointment one month prior to its expiration.

UNHCR Registration Documents

Asylum-seeker Certificate (White Paper)

This certificate is issued to persons registered with UNHCR who have officially applied for refugee status without presenting valid identification documents. It does not enable its holder to obtain a residency permit, but serves as proof of an asylum application in Egypt that is pending consideration for refugee status determination with the UNHCR Office, and based on which, he/she should be accorded international protection considerations. If you obtain identification documents after being issued a certificate, please approach UNHCR during reception hours to receive an Asylum-seeker Registration Card.

Asylum-seeker Registration Card (Yellow Card)

The card is issued to persons registered with UNHCR who have officially applied for refugee status and have presented valid identification documents. It provides protection from detention and deportation to your country of origin or any other country, and allows the holders to obtain a legal residence permit (sticker) to legalize their stay in Egypt. The card is valid for 18 months.

Refugee Registration Card (Blue Card)

The refugee registration card is issued to persons who had been formally recognized as refugees by UNHCR. The card allows its holder to obtain a legal residence permit (sticker) to legalize their stay in Egypt. It is valid for three years.

Obtaining Residence Permits

Why do I need a valid residence permit?

Every foreigner, including refugees and asylum-seekers, staying in the Arab Republic of Egypt is obliged to have a valid residence permit. Without a valid residence permit, s/he would be staying illegally in the country, which is punishable under Egyptian law. Therefore, you are advised not only to obtain your residence permit after registration with UNHCR but also to renew it when it expires.

How can I obtain or renew a residence permit in Egypt?

1. Refugees and asylum seekers who are scheduled to renew or obtain their UNHCR cards at UNHCR Offices, can pick up the (MFA) number for residency processing during their interview at UNHCR Offices, along with an appointment date to approach the Communications Office of the Passports and Immigration Administration in Abbasiya.

For those who have a valid UNHCR card, the MFA reference number and the appointment date before the Communications Office of the Passports and Immigration Administration in Abbasiya could be obtained from Caritas Egypt – at their following offices:

- October City: Building 48/8 – 2nd proximity, 8th district
 - Daily except Saturday and Sunday: 08:30 - 15:30
- Nasr City: 30 Sibaway St. off Anwar El Mofty St.- Behind Nasr City Traffic center
 - Daily except Saturday and Sunday: 08:30 - 15:30
- Alexandria: 26 Talaat Numaan Street, Mahatet El Raml, 3rd Floor
 - Daily except Friday & Sunday: 15:30 - 20:30
- Damietta: 21/81 1st Neighborhood, 1st District, in front of the Tourism and Hotels Institute, New Damietta
 - Daily except Friday & Saturday: 14:30 - 19:30

Please ensure that your UNHCR card is valid for at least one month on the date of the appointment with the Communications Office of the Passports and Immigration Administration in Abbasiya.

2. Please approach the Communications Office of the Passports and Immigration Administration in Abbasiya on the appointment date received along the MFA reference number. You must provide the reference number issued by UNHCR or Caritas to the Communications Office and accordingly you will be provided with appointment for lodging the residence application.
3. On the day of your appointment, please approach the Residence Office in Abbasiya, where you will be asked to submit all necessary documents, including the residence permit application form. Together with your family members, you will also be asked to have your photos and fingerprints taken. You will then be given an appointment to receive the residence permit card.

- Please return on the given appointment to the residency granting office at the Residence Unit of the Passports and Immigration Administration, where you will obtain the residence permit card issued by the Egyptian government.
- The residence permit is issued only at the Passports and Immigration Administration in Abbasiya. You must go there in person to complete all procedures regardless of your place of residence in Egypt.

What documents should I bring?

- All UNHCR registration cards of the family members and dependents registered with you in Egypt.
- Original passport of the family members and dependents registered with you in Egypt.
- Copies of both your UNHCR registration document(s) and your passport(s).
- The reference number obtained from UNHCR or Caritas.
- Two passport-sized photos of yourself. Photos of your dependents are not needed unless they are 12 years old and above, and were issued a separate UNHCR documentation card.
- A copy of your last residence permit obtained based on your asylum status in the country.

Are there any fees that I have to pay to obtain the residence card?

Yes, you will be required to pay processing fees of EGP 100 at the bank located at the Abbasiya premises while presenting your application to the Residence Unit. This fee is directed to the Government of Egypt to cover the expenses of the new card.

What type of residence permit will I be issued?

You will be issued a regular non-tourist residence permit for an initial period of 6 months, which will be renewable as long as you remain a person of concern to UNHCR in Egypt. The same period is granted to blue and yellow card holders.

How can I reach the Passport and Immigration Administration?

The headquarters of the administration is located at 417 Ramses Street in Abbasiya, which is easy to reach by public transport by following these instructions:

For refugees living in Greater Cairo:

Cairo Metro: The nearest station is Abbasiya Station (Green Line; Imbaba – Airport). After exiting the metro station, the Administration will be a five-minute-walk away.

For refugees residing in other governorates:

Ramses Train Station: You can take the train/public transport from any governorate to Ramses station. When you arrive at the station, go to Al Shohadaa metro station and get off at Ataba station where you will change to the Green line (Imbaba – Airport) and get off at Abbasiya station. After exiting the station, the Administration will be a five-minute-walk away.

Refugee Status Determination

UNHCR Egypt has started conducting RSD interviews remotely to be able to continue serving our asylum seekers while reducing the risk of spreading COVID-19. You can find out more about the remote interview process through this link: bit.ly/3kx3IS7 or through using the QR code scanner in your mobile phone's camera.

SCAN ME

What is the purpose of the refugee status determination (RSD) interview?

RSD interview is to assist you to put forward your case and fully explain your experiences and circumstances that led you to fleeing your home country.

Based on the interview, UNHCR will determine whether or not you meet the refugee definition and grant refugee status according to international refugee law.

The Refugee Status Determination Interview

When you are scheduled for an individual refugee status determination (RSD) interview, you will receive a scheduling call to inform you about the RSD interview and counsel you on steps you have to take prior the interview. After the scheduling call, you will receive an SMS with the link of the Signal application, if you agreed to have a remote interview. Furthermore, the RSD website at rsd.unhcregypt.org/refugeeresult.aspx will be updated with your appointment date as well. As there could be changes in the RSD appointments, you are also requested to check the website regularly, especially 48 hours before your RSD appointment.

During the RSD procedure, you are required to:

- Submit any documents and evidence available regarding your application;
- Inform UNHCR about your family members accompanying you. Adult family members will be interviewed individually;
- Tell the truth and be cooperative;
- Have a smart phone with a functioning front camera and stable internet connection, if you agreed to have a remote interview;
- Be alone in the room, if you agreed to have a remote interview.

During the RSD procedure, you have the right to:

- Be interviewed in a language you can communicate in;
- To be represented by a lawyer or a legal representative, who qualifies as such under UNHCR's established procedures, during your RSD procedure.

Please also note that:

- Each applicant has a different profile, background and reason for fleeing his/her

country; hence, each case will be assessed individually, according to UNHCR rules and procedures.

- Please, do not pay attention to rumors spread among refugees about specific stories to be presented to be granted refugee status.
- Intentionally misleading UNHCR about the facts of your case or your identity is fraud. Please note that this will negatively affect the processing of your case and may lead to a negative decision. UNHCR reserves the right to take appropriate measures in such cases;
- Your statements and documents will be kept confidential and will not be shared by UNHCR with other third parties without your consent. Please note that under no circumstances will UNHCR share your information with the government of your country of origin;
- Do not sign any documents unless read, understood and approved by you;
- While in Egypt, you, like any other foreigner, are expected to respect the laws, customs and traditions of the society hosting you;
- Verbal and physical threats made to UNHCR staff violate national law. UNHCR will report any person making such threats to the police and this person may be prosecuted.

What should I prepare/ bring with me to the RSD interview?

- Your UNHCR asylum seeker registration card;
- Any documents that are relevant to support your refugee claim;
- Your and your family members' original identification documents (such as passports, ID cards, military booklet, marriage certificate, birth certificates, medical reports if any, etc.);
- Proof of previous registration with other UNHCR Offices.

Can I have a legal representative/advisor to assist me during my refugee status determination procedure?

You are entitled to have a legal representative/advisor to assist you during your refugee status determination interview.

In Egypt, Saint Andrews' Refugee Services (StARS) provide information, counselling, referral, representation, and advocacy for asylum-seekers and refugees in Egypt free of charge. To know more on how to reach StARS, please take a look at our partners' section under (protection services) at: <https://help.unhcr.org/egypt/en/partners/st-andrews-refugee-services-stars/>

Why are there different procedures at first instance?

UNHCR Egypt has different procedures depending on the complexity of the cases. Some cases undergo registration and RSD interviews together in the same interview, which is called the Merged Registration/RSD procedure; some cases have separate registration and RSD interviews; and some cases have more than one RSD interview in order to ensure the Office has sufficient amount of information to complete the RSD procedure.

What if I missed an RSD appointment?

Please be informed that if you failed to attend an RSD appointment without a reasonable explanation, your case might be closed. If you miss an appointment, it is your responsibility to request a new one as soon as possible explaining the reason why you could not approach the office. Please note that the new appointment will only be granted if you provided a reasonable explanation as to why you failed to attend.

Are my family members, who registered with me, required to be present at the refugee status determination interview?

All those who are registered in the file need to be present for the RSD interview unless you are informed otherwise. All the adult members of the case will go through a separate interview at UNHCR.

What happens if I am recognized as a refugee?

If you are recognized as a refugee, you will be given a result notification appointment which will clearly indicate the location, date and time of receipt of the decision. In order to collect the decision, you will be required to present to UNHCR reception staff your UNHCR asylum seeker registration card and your identification documents (passport or other form of identification) when you approach UNHCR.

If you are recognized as a refugee, you and your dependents will be provided with a UNHCR refugee card.

What happens if I am denied a refugee status?

If you are denied refugee status after the first instance interview, you will be given a result notification appointment which will clearly indicate the location, date and time of receipt of the decision. In order to collect the decision, you will be required to present to UNHCR reception staff your UNHCR asylum seeker registration card and your identification documents (passport or other form of identification) when you approach UNHCR.

On the date of your appointment, you will receive a negative decision letter, which contains an explanation on the reasons that led to the denial of the asylum application. If you are notified with a negative decision you have the right to submit an appeal request within 30 days. If you do not wish to file an appeal against the first instance decision denying your asylum application, you will no longer be considered as person of concern to UNHCR.

How will I be notified of my Refugee Status Determination decision?

Once your RSD decision is ready, you will receive an SMS or a call to indicate your result notification date/appointment. You will be notified of your decision either remotely through Signal Application or you will be scheduled for an in-Office notification. Each individual will be informed on the method, location and date of their notification by call/SMS.

In the meantime, you can also check this website via the RSD status part <https://rsd.unhcregypt.org/RefugeeResult.aspx>, which will also reflect your result notification date/appointment, once available. The decision on your asylum application could either be recognition or rejection.

How can I submit an appeal request?

You can download the appeal request form from the Forms and Leaflets section of this website <https://rsd.unhcregyp.org/FormsAndLeaflets.aspx>. In your appeal request form, you must include the following:

1. The reasons why you think the first instance negative decision is wrong, and
2. Your updated contact information.

You can then submit your duly filled appeal application form either in an email to Appeal/ Reopening arecaapr@unhcr.org or by approaching the RSD Building at 44A street, 2nd proximity, 8th District, 6th of October City on certain days of the week, which will be specified to the individuals on the day of their notification.

What will happen during the appeal process?

Different UNHCR protection staff members than the ones who were involved in the initial first instance decision review all appeal requests. Not all appeal requests will lead to an appeal interview. If an appeal interview is needed, you will be notified of the date of your appeal interview via SMS, and the appointment will also be available in the RSD status section of this website: rsd.unhcregyp.org/RefugeeResult.aspx.

If the first instance decision is overturned, you will be granted refugee status; if the first instance decision is confirmed, your file will be closed.

You have the right to opt for an office interview if you were contacted to conduct a remote interview, this will not affect your asylum application negatively in any way.

Cash Assistance

Who can receive cash assistance from UNHCR or its partners?

UNHCR aims to provide cash assistance to registered refugees and asylum-seekers found to be most in need. UNHCR partner Caritas Basic Needs conducts assessment interviews to identify eligible individuals, If you have been identified as eligible for cash assistance, you will be notified through SMS on your telephone number registered at UNHCR.

How does UNHCR determine who is eligible for the cash assistance?

To determine those who are most in need, and hence eligibility to cash assistance, UNHCR uses a statistical formula aimed at capturing protection and socio-economic vulnerabilities. To use this formula, UNHCR relies on multiple sources of information, such as information recorded during your registration with UNHCR and sometimes gathered during assessment interviews conducted by UNHCR partner, Caritas Basic Needs. Factors such as age, place of residence, number of family members, education level, financial status, access to other assistance, specific needs, medical status, protection risk profiles, among others determine the decision. All profiles of refugees and asylum-seekers registered with UNHCR are assessed to identify those who are most financially vulnerable to select higher risk profiles.

If you are found eligible to receive cash assistance UNHCR will notify you via SMS to the phone number registered by you at UNHCR.

How do I get an appointment for an assessment interview?

If you have not conducted an assessment interview with Caritas Basic Needs since 2019, or if there have been significant changes in your household's circumstances after your last assessment interview, please contact the Caritas Infoline on 15946 to schedule an interview. A staff member from Caritas will contact you back by phone to confirm the appointment. UNHCR does not book/conduct interview assessments.

Where do I collect the cash assistance?

Once you receive a notification by SMS on your phone number registered at UNHCR, you can collect your cash assistance from any post office in Egypt, before the deadline indicated in the SMS. If you are notified that you will receive cash iris-scanning, you will be required to approach the nearest post office with an iris-scanner. You can find the list of iris-enabled post offices on **Page (14)**.

Please note that the principal applicant is the **ONLY** one who should go to the post office unless you designate an alternative cash collector within your case. To designate the alternative cash collector please contact Caritas Basic Needs on 15946.

If you want to update your phone number registered at UNHCR, please see **Page (15)**.

How do I collect the cash assistance at the post office?

At the post office, there are two possibilities:

1. You may be required to present your UNHCR identity card at the cashier where the teller will review your photo, case number and name; or
2. If the SMS states that you will receive your money through scanning your iris, then you need to go to a post office with an iris-scanning camera. At the post office, you will need to place the camera on the same level of your eyes and look at the scanner with your eyes wide open while your iris is being scanned.

Please note that the designated cash collector (usually the principal applicant) is the **ONLY** one who should go to the post office unless you designate alternative cash collector within your case. To designate an alternative cash collector please contact Caritas Basic Needs on 15946.

What should I do if I am unable to collect the cash assistance at the post office?

1. Please make sure you go to the post office before the cash-distribution deadline as indicated in the SMS. You cannot collect the cash assistance if you come after the deadline. Only the designated cash collector (usually the principal applicant) can collect the cash assistance, unless you have designated an alternative collector at Caritas Basic Needs.
2. If you are receiving the assistance through iris-scanning, please make sure to place the camera on the same level of your eyes (not above or below) and that you look at the camera with eyes wide open. If your iris is still not captured ask the teller at the post office to scan your right eye first then the left eye. If this is still not working, then try going to another iris-enabled post office as there maybe an internet connection problem.

If none of the above solutions work, please contact Caritas Basic Needs to record your complaint in the system. This is a very important step. Without the formal complaint, UNHCR will not be able to address the issue effectively. A counselor from Caritas will discuss and help you solve the problem and will also record your complaint on the system. UNHCR will investigate the causes of your recorded complaint within 30 days from the cash out deadline.

If you followed the above steps, UNHCR will re-imburse the due cash assistance. You will be notified by SMS when, where, and how you can collect your assistance.

You can find Caritas Basic Needs phone numbers, working hours and address on **Page (33)** of this brochure.

Who do I contact for inquiries or complaints related to cash assistance?

Please contact Caritas Basic Needs on the phone numbers on **15946**. A counsellor from Caritas will provide you with the appropriate advice and will record your problem if further action is needed from UNHCR.

Please note that ALL inquiries and complaints related to UNHCR cash assistance must be recorded via Caritas Basic Needs. They are not recorded at UNHCR Offices. Without the formal complaint at Caritas Basic needs, UNHCR will not be able to address your issue effectively.

Eligibility and reimbursements decisions taken by UNHCR will be directly communicated to you through SMS (you may also receive follow up call from Caritas. Therefore, it is important to keep your telephone number up to date.
