

## Promoting resilience of refugee children at risk, Inc. GBV survivors, in the urban settings Athens and Thessaloniki

We are the team of the non-governmental organization PRAKSIS and through the child protection program we implement with the support of the United Nations High Commissioner for Refugees (UNHCR) and the co-financing of the European Union we can help you:

- ✓ Do you have a family with a newborn baby?
- ✓ Are you under 18 years old and expecting to give birth soon?
- ✓ Are you a mother or a father and are you alone with your child or children in Greece?
- ✓ Do you have children facing any health issue?
- ✓ Do you have the care of a child whose parents are not accompanying them?
- ✓ Are you under 18 years old and have you received any form of violence?
- ✓ Are you under 18 years old and in immediate danger?
