

HEALTH INFORMATION

FOR REFUGEES & INTERNALLY DISPLACED PERSONS (IDPS)

Health services in Kurdistan Region of Iraq are mainly provided by the Ministry of Health, free of charge (nominal fee 500 IQD).

Some public facilities have semi-private facilities where patients contribute to the cost of treatment.

Syrian refugees and IDPs have free access to health services including, consultations, medicines, laboratory tests, screenings, surgeries, emergency care, vaccination, care for mothers and infants, & dental care... etc.

Emergency services are available at public health facilities. There are three emergency hospitals in Erbil.

In addition, Emergency wards are available at other hospitals.

FOR ANY EMERGENCY, PLEASE CALL **122**
