

TAGDev 2.0

Transforming African Agricultural Universities to meaningfully contribute to Africa's Growth and Development

In partnership with

Call for Scholarship Applications under the TAGDev 2.0 Programme for the 2026/2027 Academic Year at University of Cape Coast

Call ID:RU/2026 UCC/TAGDEV2.0

1.0 Background

The Regional Universities Forum for Capacity Building in Agriculture (RUFORUM) in partnership with the Mastercard Foundation, Gulu University (Uganda), Egerton University (Kenya), Africa University (Zimbabwe), University of Free State (South Africa), Malawi University of Science and Technology (Malawi), University of Eldoret (Kenya), Uganda Martyrs University (Uganda), University of Port Harcourt (Nigeria), University of Cape Coast (Ghana), University of Bamenda (Cameroon), National University of Agriculture (Benin), and Université Mohammed VI Polytechnique (Morocco) are implementing a 10-year programme (2023-2033) called Transforming African Agricultural Universities to Meaningfully Contribute to Africa's Growth and Development (TAGDev 2.0). The programme seeks to strengthen universities and TVET institutions to better serve communities by skilling and empowering Africa's young people and their institutions to drive inclusive, equitable and climate-resilient transformation of agriculture and agri-food systems. The TAGDev 2.0 programme will support young African students who are economically disadvantaged but academically competent to access university education. The scholarship is open to both female and male applicants. However, females, refugees, internally displaced persons, and persons with disabilities are highly encouraged to apply.

3.0 Eligibility for Scholarships

3.1. Who is eligible to apply?

Scholarships are open to candidates in Ghana

from economically disadvantaged backgrounds. Candidates from conflict and post-conflict areas of Africa residing in Ghana are also encouraged to apply. The applicant has to be in a position to qualify for admission into undergraduate and/or postgraduate programmes at the University of Cape Coast. All applicants should read and thoroughly understand the admission criteria for the relevant programmes at the University of Cape Coast. Students already having a scholarship of any kind are not eligible to benefit from this scholarship opportunity. Anyone with a double scholarship if found will automatically be disqualified. Beneficiaries of TAGDev scholarships are not eligible to apply.

3.2. Selection criteria

- i. Be a national of Ghana or a refugee resident in Ghana to benefit from the national respective scholarship quota.
- ii. Be from economically disadvantaged, marginalized communities, and/or coming from conflict and post conflict areas in Ghana.
- iii. Be less than 30 years for undergraduate and less than 35 years for masters studies at the

- time of application.
- iv. Should have completed secondary school and/or diploma for a Bachelors degree application not more than four years (2022-2025) from the time of this call.
 - v. The applicant should meet admission criteria to be eligible programs in University of Cape Coast.
 - vi. For admission into University of Cape Coast for an undergraduate degree Programme one must have attained the following basic requirements:
 - a) WASSCE/SSSCE— Applicants should have credit passes (WASSCE means A1-C6, SSSCE means A-D) in six (6) subjects with an overall aggregate of 36/24 at the WASSCE/SSSCE respectively. Three of the six subjects should be core subjects: English Language, Mathematics, Integrated Science or Social Studies and three must be in relevant electives; b) General Certificate of Education (GCE) Advanced Level— Applicants should, in addition to credit passes in five (5) GCE 'O' Level subjects (including English and Mathematics), have three (3) passes in the relevant subjects at the Advanced Level; c) General Business Certificate Examination (GBCE)— Applicants should have credit passes (A-D) in six (6) subjects comprising three (3) core subjects including English Language and Mathematics plus three (3) relevant elective subjects; d) International General Certificate of Secondary Education (IGCSE)— Applicants should have credit passes in five (5) GCE 'O' Level subjects (including English and Mathematics) and three (3) passes in the relevant subjects at the Advanced Level; e) International Baccalaureate (IB)— Applicants should have a minimum of grade 4 at the Higher Level in three (3) subjects relevant to the Programme of choice (minimum of grade 5 for Health and Allied Sciences). Applicants should, in addition, have a minimum of grade 4 in English/Literature and Mathematics (SL).
 - vii. Demonstrate interest in agriculture, agribusiness and entrepreneurship
 - viii. Demonstrate leadership qualities
 - ix. Have a commitment to working in agriculture and agricultural value chains
 - x. Have a strong commitment to community transformation
 - xi. Female candidates are highly encouraged to apply.

3.3. What the scholarship covers

This is a full board comprehensive scholarship that covers: tuition fees, research costs, workshop and conference costs, living expenses including stipend and hostel, laptop, internship attachment, community engagement and field attachment, and entrepreneurship training. Consequently, considering the level of investment, successful applicants will be required to become high achievers, highly engaging and focused students/ graduates and change makers contributing to outreach services in the communities, capable of creating enterprises that create jobs for themselves and others and have personal satisfaction and dynamism.

3.4. Support to Refugees, Displaced Persons (RDPs) and Persons With Disabilities (PWDs).

In addition to other scholars benefits, RDPs and PWDs will receive the following support:

1. RDPs will be supported with travel documents.
2. PWDs will receive assistive devices to support learning and movement during the course of studies.

3.5. Nature of the scholarship

This is a comprehensive scholarship with direct and indirect costs that will be covered by the programme through the implementing university where the student will be studying. Indirect costs such as participation in the international conference will be directly covered by the RUFORUM Secretariat. The following further apply:

- i. Direct costs for student training will be transferred to the university as a grant payable. The students will receive their respective services and entitlements from the university as the implementer and where necessary from RUFORUM.
- ii. All scholarships will be on a rolling basis implying that, the scholarship will be renewed on an annual basis subject to satisfactory academic performance at the grade B level of the University of Cape Coast.
- iii. Retaking more than four courses will lead to the withdrawal of the scholarship awarded to the candidate.
- iv. Applicants who may be discovered to have falsified information to gain advantage of the scholarship shall be disqualified on confirmation of the falsification and/or forgery.
- v. Any misconduct (breaching university rules, especially examination malpractice, violence towards others) on the part of the successful applicant shall lead to automatic disqualification and loss of the scholarship.

vi. Successful applicants will be expected to become champions and transformative leaders, entrepreneurs and change-makers at various levels and shall remain communicating with RUFORUM and the Universities as part of the Programme Alumni.
