

OBLIGATIONS

Upon registering with the Provincial Directorate of Migration Management, you have to comply with your signature/notification duty at required intervals.

If you would like to travel outside of your city of residence, you have to obtain a travel permit from the Provincial Directorate of Migration Management.

You have to notify the Provincial Directorate of Population and Citizenship Affairs and the Provincial Directorate of Migration Management:

- for birth registration of your child born in Turkey within 30 days
- for changes in address, identity information, civil status (marriage or divorce) in 20 business days.

Also, you have to notify the Provincial Directorate of Migration Management regarding

- updated information on your employment status in 30 days,
- your income, movable and immovable properties in 20 days.

While you are in Turkey, you are obliged to comply with the Turkish legislation including provisions of the Turkish Criminal Code.

You are obliged to submit any information or documents that may serve as evidence of your identity, provide accurate information to the authorities and cooperate with officers on these matters.

Remember that any non-compliance with notification and other obligations may result in sanctions such as restrictions on the provided rights and services in addition to other sanctions provided by law.

Rights & Obligations

TEMPORARY PROTECTION BENEFICIARIES

You have to be registered with the Provincial Directorate of Migration Management to benefit from rights and services.

You may benefit from rights and services with the identification document which bears a number starting with 99 that will be issued to you.

The identity document that will be granted to you is free of charge and it allows you to stay in Turkey without obtaining a residence permit.

After completing your registration, you need to apply to the Provincial Directorate of Migration Management in 30 days to obtain your Identity Document. During the registration stage you may only benefit from emergency healthcare services free of charge. If you have a special need you have to mention this during registration.

HEALTH

You may benefit from health services free of charge.

In this scope, you may directly apply to;

- Family Doctors,
- Migrant Health Centres,
- Governmental hospitals.

Except some special conditions, you are not expected to pay a contribution fee for treatment and medication expenses.

EMPLOYMENT

Six months after your registration date, your employer may make an application to obtain a work permit on your behalf through e-state portal.

You may obtain work permit exemption document by applying to Provincial Directorate of Family, Labour and Social Services to work in seasonal agriculture and animal husbandry works.

If you want to work on your behalf and account, you are required to have a legal enterprise established and registered in Turkey according to the Turkish Commercial Code. After officially registering your enterprise, you may also apply for work permit yourself.

EDUCATION

You have to register the children that you are accompanying for school in Turkey. Primary and secondary education in public schools is free of charge. You have to apply to the Provincial or District Directorates of National Education to register.

If you want to continue higher education in Turkey you are required to apply to the relevant universities and take the foreign student exams administered by the universities.

Also you may benefit free of charge from

- skills training and language courses of Public Education Centres
- vocational training, on the job training and entrepreneurship programs of İŞKUR
- courses of Municipalities in your province of residence.

SOCIAL ASSISTANCE

If you need monetary or in kind assistance, you may apply for assistance provided by

- Social Assistance and Solidarity Foundations,
- Municipalities,
- Turkish Red Crescent,
- Non-Governmental Organizations.

The authorities will evaluate your application by making a needs assessment.

To benefit from psycho-social support, education and counselling services, you may go to the Social Service Centre nearest to you in your province.

TRANSLATION

You have the right to request an interpreter free of charge for the procedures at Provincial Directorate of Migration Management. If you need an interpreter during your procedures, please notify your request to the Provincial Directorate of Migration Management. Your request will be responded to within the bounds of possibility.

LEGAL AID

You have the right to receive legal counselling about temporary protection procedures or other legal issues and the right to be represented by a lawyer.

If you do not have sufficient means to cover lawyer's fee and other judicial expenses, you may request legal aid by applying to the bar association in your province.

Bar association officials will assess your application.

COMPLAINT

If you are ill-treated or your rights are violated in Turkey, you may always apply to law enforcement, and file a criminal complaint with Public Prosecutor's Office.

In such a situation you may call;

- 155 Police Help Line
- 156 Gendarmerie Help Line
- 183 Social Support Line.
